

Dragon Core Committee
January 31, 2008

Present: Ellen Brisch, Chairperson, Laurie Blunsom, Ben Clapp, Travis Dolence, Jill Frederick, Ron Jeppson, Jean Sando, Margaret Sankey

Absent: Wendy Frappier, Michael Hughey (on sabbatical), Liz Johanson, Liz Rowse

Agenda Items:

- 1) 1-24-08 Minutes
- 2) SOC 319
- 3) CHEM 110
- 4) AMCS 103
- 5) Eurospring

Committee Action:

- 1) 1-24-08 Minutes
Clapp moved. Frederick seconded to approve the 1-24-08 DCC minutes.
Motion passed unanimously.
- 2) SOC 319 Society and the Environment
Sando moved. Clapp seconded to approve SOC 319 in the Outer Cluster, DC 10: People and the Environment and L.S. Div C.
Motion passed unanimously.
- 3) CHEM 110 Fundamentals of Chemistry
Frederick moved. Clapp seconded to approve CHEM 110 in the Inner Cluster, DC 4: Natural Sciences and L.S. Div B1.
Motion passed unanimously.
- 4) AMCS 103 Latinos in the United States
DCC requests that proposal show how critical thinking skills are being taught.
No action taken.
- 5) Eurospring discussion
The Eurospring group is working on a proposal that would allow 6 of the 12 Eurospring credits to count in the Dragon Core. If approved, it would give students 3 credits in DC 5 and 3 credits in DC 6. They are working on a structure that will satisfy the required Dragon Core competencies while still allowing for a variety of topics and instructors.

Meeting adjourned at 8:50 a.m.
