

# STUDENT EVALUATION

Please complete the following information and return to the Academic Service-Learning Center, CMU 230 or e-mail it to [servicelearning@excite.com](mailto:servicelearning@excite.com)

## Student Evaluation ♦ Academic Service-Learning

### SECTION I: GENERAL INFORMATION.

Please answer each question by writing the appropriate answer.

Course: \_\_\_\_\_

Professor: \_\_\_\_\_

Your major: \_\_\_\_\_

Year in school: \_\_\_\_\_

Semester/Year: \_\_\_\_\_

Hours spent on project: \_\_\_\_\_

What community agency/organization did you work with (write name in space below)?

### SECTION II: PERCEPTIONS OF AS-L EXPERIENCE

For each of the statements indicate how strongly you agree or disagree by using the following scale. Note that AS-L is the abbreviation for "Academic Service-Learning."

**1 = Strongly Disagree 2 = Disagree 3 = Neither Agree or Disagree 4 = Agree 5 = Strongly Agree**

#### Preparation and Support

Your Response	Statement
	1. I received sufficient orientation about the community agency/organization I worked with.
	2. I received sufficient academic preparation to successfully complete my AS-L project.
	3. I had opportunities to reflect on connections between course material and my AS-L project.
	4. My questions about the AS-L project were effectively addressed.
	5. The AS-L Center staff provided helpful assistance when needed.

#### Cognitive Learning

Your Response	Statement
	6. My service-learning project helped me learn material covered in the course.
	7. My project helped me see real-world application of course material.
	8. My project made it easier for me to think about the information we covered in class.
	9. I got a lot from the class because of the AS-L project.
	10. It is easier to remember things we covered in class because of the service-learning project.

1 = Strongly Disagree 2 = Disagree 3 = Neither Agree or Disagree 4 = Agree 5 = Strongly Agree

### Behavioral Learning

Your Response	Statement
	11. I have an understanding of the tasks involved when helping others.
	12. I was able to make effective decisions on how to perform tasks while doing my project.
	13. I possess the necessary qualities (e.g., responsibility, initiative, communication skills) to be successful at helping others.
	14. I developed a system for completing tasks required for my project.
	15. My skills improved because of the activities I performed as part of my AS-L project.

### Affective Learning

Your Response	Statement
	16. Through my AS-L project I made valuable contributions to the community agency/organization.
	17. I think people should find time to contribute to their community.
	18. I am concerned about local community issues.
	19. I intend to work in a career that will make positive contributions to society.
	20. I plan to help improve my neighborhood/community in the future.

### SECTION III: OPEN ENDED REFLECTIONS

Please answer the following open-ended questions about your experiences with AS-L.

21. Discuss ways in which your AS-L project enriched your college experience.

22. How could your experiences with your AS-L project have been improved?
