

## The CEHS Giving Tree

Minnesota State University Moorhead's College of Education and Human Services (CEHS) invites you to invest in the future of tomorrow's professionals. As state financial support for higher education diminishes, it is crucial for us to find creative ways to fund the outstanding work of our College.

The "CEHS Giving Tree" is a large wooden tree adorned with gold leaves that will be mounted on a wall of Lommen Hall.

Affixed to the treetop will be gold leaves engraved with the name of each donor who makes a tax-deductible contribution of \$100.00 to the CEHS.

This tree will serve as a lasting acknowledgement of support for the College.

If you are interested in supporting the College with a donation to the Giving Tree, please fill out the information below and return it to MSUM Box 68 Moorhead, MN 56563.
