

SOCIAL WORK 330

HUMAN BEHAVIOR IN THE SOCIAL ENVIRONMENT

Theory Application Paper #2

INSTRUCTIONS

For our second essay, use social systems theory/ecological perspective to analyze (only one):

- (1) *A family (NOT YOUR OWN!);*
- (2) *A social group (NOT YOUR FAMILY);*
- (3) *A formal social work agency; OR*
- (4) *A community*

In writing your paper you must adhere to the following requirements:

- Include the Standardized Grading Sheet provided below;
- WRITE TECHNICALLY (see the Write Site for additional help!)
- Follow the above question sequencing;
- Provide exactly 2 pages of analysis;
- Double-space all pages;
- Put all font in 11 pitch;
- Use 1" margins for all pages;
- Strictly follow APA formatting (citing work in text, reference list, margins, etc.)
- Use APA heading and subheadings;
- Include your name on a title page;
- Staple all pages together securely;
- NO QUOTATIONS! (I want your words and thoughts)
- Attach a reference list in APA format;
- Use ample theories, terms and concepts that we have studied thus far this semester;
- Use Write Site services as needed (poorly written papers will not be read and graded); and
- DO YOUR OWN WORK ETHICALLY...*plagiarism (see APA manual: page395) or even slight similarities between student papers will result in an "F" for all folks involved for that paper!!!!*
