Math 450
Presentation Topics

Note: The following is a list of potential presentation topics. If you do not see one on the list that captures your imagination, come talk with me and we can discuss an alternative topic.

- Bezier Curves [Section 3.6 in your textbook]
- Techniques for Multiple Integral [Section 4.8 in your textbook]
- Techniques for Improper Integrals [Section 4.9 in your textbook]
- Higher Order Differential Equations [Section 5.9 in your textbook]
- Any topic from Chapter 6 or Chapter 7
