

**Instructions:** Briefly respond to each of the following questions. Please be as honest as you can. Any reasonable attempt to engage with these questions will receive full credit. This assignment is due on Monday, September 25th.

1. How do you feel about the overall design and methodology being used for this course? What, if anything, would you like to see adjusted or changed?
2. How do you feel about the overall workload and the amount of time that you are expected to invest in this course?
3. To what extent have the daily group work activities helped you to understand the course content?
4. How confident are you in the content that you have learned so far? What topics do you feel you understand well? Which topics, concepts, or techniques do you not understand as well as you would like?
5. What other comments or concerns do have related to this course?
