

**Math 311 – Introduction to Proof and Abstract Mathematics**  
**Writing Assignment 2**  
**Due: Tuesday, October 9<sup>th</sup>**

Give your thoughts on the following questions:

1. How do you think this course has been going so far?
2. Which topics have you found to be the most interesting? Which topics have been the most difficult to understand?
3. How much time did you spend preparing for Exam 1? How did you organize the time you spent preparing?
4. How did you spend your time and energy during the exam? How did you feel as you were taking the exam?
5. What, if anything, do you plan to change about your approach to this class between now and the end of the course?
6. What, if anything, can I do to help you to be more successful or to make the course more enjoyable?

Your paper should be typed (double spaced with standard margins).

*Make sure to put a title block including your name, course number, and “Writing Assignment 2” at the top of the page. Your paper must be turned in to me no later than 4:00pm next Tuesday.*
