

Math 102
Extra Credit
Due: 04/23/2010

Name: _____

(5 points) Attend at least one of the presentations at the Student Academic Conference this Wednesday. Get either the speaker or the session chair to sign this form to verify your attendance. Then, attach a written summary of what the presentation you went to was about. If you give a poster or presentation, you can write a summary of *your* presentation instead of someone else's. I will give an additional bonus point if you attend a math based talk.

Session Chair Signature: _____
