

Math 290
Week 4 Lab

Instructions: Use \LaTeX to typeset a document containing each component described below. Turn in your lab by emailing it to jamesju@mnstate.edu. You should email both your raw TeX (.tex) file and your compiled document (in .pdf form). This assignment is due by 4:00pm next Monday. You will be graded on both your raw TeX code and the accuracy of your compiled document.

- Set up the page layout and add a Title Block as you were instructed to do in your previous labs.
- Call both the “hyperref” and the “multicol” package. Then, add a hyperlink to your document that links to a web page of your choice.
- Typeset each of the following. Pay attention to the exact symbols used in each example. Some will require you to redefine the enumeration or itemize symbol used, and some will require the multicolumns.

1. The Five Stages of Acquisition:

(a) Infatuation:

- i. An unreasoning love or attraction.
- ii. “I want it!”

(b) Justification:

- i. Moral excuse used to explain.
- ii. “I must have it!”

(c) Appropriation:

- i. To take to one’s self in exclusion of others.
- ii. “IT’S MINE AT LAST!”

(d) Obsession:

- i. A compulsive or irrational preoccupation
- ii. “Precious!”

(e) Resale:

- i. The action of selling something previously bought.
- ii. “Make me an offer.”

I Once you have their money, you never give it back.

II Never pay more for an acquisition than you have to.

- a Never allow family to stand in the way of opportunity.
- b Small print leads to large risk.

III Free advice is seldom cheap.

IV Anything worth doing is worth doing for money.
