

## Negating Logical Statements

Give the negation of each of the following statements. Your answer should be expressed in plain English (with the simplified negation form discussed in class).

1. I live in North Dakota.
  
2. I did not take a math class last semester.
  
3. I have never been to Europe.
  
4. I will either go to Mexico for Spring Break this year or I will stay home.
  
5. I am fluent in Spanish and I have a pet cat.
  
6. I have never been to Boston but I plan to go there next summer.
  
7. I like broccoli and I do not like beets.
  
8. I do not like broccoli or I do like beets.
