Extra Credit
Due: 04/20/2012

Name: _____

(4 points) This Extra Credit Assignment may be completed in one of three ways:

1. Attend one of Dr. Sibley's Talks that will be held on Tuesday, March 27th at 1:30 and 4:30pm in Bridges 162. Then submit a written summary of his presentation.
2. Attend a math presentation at the Student Academic Conference on Tuesday, April 17th. Then submit a written summary of what the presentation you went to was about.
3. If you give a poster or presentation at the Student Academic Conference, you can write a summary of *your* presentation instead of someone else's.

The Credit you receive on this assignment will be proportional to the quality and level of detail present in written summary you submit.
