

Math 491 - Mathematical Writing

Journal Assignment #2

Due: By 4:00pm on Monday, January 28th

Instructions: Carefully read through Article #2: “Mathematics of the Human Vampire Conflict” (which you received in class on Wednesday). Then write a short journal which addresses each of the prompts given below.

- Create an outline for the content of this article. Try to make your outline as clear, organized, and detailed as possible.
- Briefly describe the style and tone of this article.
- Did you find this article to be interesting? Did you find it to be engaging and entertaining? Do you feel that it was well written?
- What did you like best about this article?
- What is one thing that could be improved?
