

Math 491 - Mathematical Writing
Writing Assignment #9
Due: By 4:00pm on Monday, April 1st

Instructions: Select a mathematical topic (one you are considering for your final paper) and write a brief (1-2 page) summary of the topic. Your paper must also provide, in proper form, at least five bibliographic references for your selected topic.

Grades will be based on how well you summarize your selected topic and on the quality and proper listing of your bibliographic references.

This assignment is due **by 4:00pm on Monday, April 1st.**
