-gives instructions for both new registrations and for returning students.

ENROLLMENT KEY: CHEM210 (case-sensitive).

STUDENT SELF-REGISTRATION

Your students will create a SmartWork account and self-enroll into your class following the "First Time User" instructions at <http://smartwork.wwnorton.com>

They will need:

1. A valid email address
2. The enrollment key for your course: CHEM210.
3. A registration code from W.W. Norton. This proof-of-purchase allows students to access your course after their free two-week trial period expires.
