 - Jasperse will have a room available for testing every Monday and Thursday at 12-noon.
 8. **Schedule Flexibility/Planning**: Information about schedule flexibility and schedule planning.
 - Discussed in Syllabus, which can be linked from the Home Page
 9. **General Information about how this online organic chemistry course will work**, addressing many common questions.
 - See the "General Information about how this online organic chemistry course will work" website, which is linked from the Home Page
 - The Syllabus, which can be linked from the Home Page, also addresses many questions
 10. **Accessing grades**.
 - Linked from both Home Page and Video Lectures Page
 - Link will take you to MSUM's learning management system. StarID Login/password needed to access.

Actual Learning Materials

11. **Pre-printable lecture notes**
 - Linked from both Home Page and Video Lectures Page
12. **Lecture Videos**
 - Video Lectures Page. ☺
13. **Sapling** Online Homework (Required, a fee is involved)
 - Linked from both Home Page and Video Lectures Page
 - Required work, counts towards grade
14. Required **Quizzes** quizzes that can be printed, answered, and answers emailed back to Dr. Jasperse
 - Linked from both Home Page and Video Lectures Page and Quizzes Page
 - Required and scored toward your grade.
15. **Extra Practice Sets**
 - Linked from both Home Page and Video Lectures Page
 - Not required or scored toward your grade, but essential to do. Students who get A's and B's do all of these.
 - Answers and videos in which Dr. Jasperse explains each question/answer are provided
 - If you don't do them, you are insisting and planning on doing bad!
16. **Extra Practice Tests**
 - Linked from both Home Page and Video Lectures Page and Practice Tests page
 - Not required or scored toward your grade, but essential to do. Students who get A's and B's do all of these.
 - Answers and videos in which Dr. Jasperse explains each question/answer are provided
 - If you don't do them, you are insisting and planning on doing bad!
17. **Supplementary Learning Videos**
 - Linked from Video Lectures Page
18. List of recommended **Book Problems** (Not required for points towards grade)
 - Linked from Home Page
 - Included in Syllabus, which is linked from Home Page
 - Not required for points towards grade
19. List of recommended **Book Readings** (Not required for points towards grade)
 - Linked from Home Page
 - Included in Syllabus, which is linked from Home Page
 - Not required for points towards grade
20. **Checklist** of things you should have done to prepare and self-evaluate your readiness for each test.
 - Linked from Home Page
21. **List of Skills/Competencies** you should have mastered to be ready for each test
 - Linked from Home Page
