

Online Homework:

1. Sapling online homework:
 - <http://www2.saplinglearning.com>
 - See links from regular class website
 - <http://web.mnstate.edu/jasperse/Online/chem350online.htm>
 - <http://web.mnstate.edu/jasperse/Online/chem360online.htm>

2. Provides:
 - Good practice
 - Immediate feedback
 - Some (not all) problems give some feedback on wrong answers
 - Many problems give some tips for solution

3. Effort-based boost to grades. (It's easier to score high on Sapling than on tests)
