Price factors details, as of Summer 2019: (I think. ☺)

- Class fee: ~\$211.41 (~\$40 higher than a non-online class would be)
 - Class fee is fixed regardless of state student is from, and does apply to NDSU
- Tuition. \$239-per-credit x 3 credits = \$717-per-3-credit-course is Minnesota-resident rate
 - **Minnesota Residents:** \$928.41 total
 - So tuition = \$717 + \$211.41 class fees = **\$928.41 total**
 - **Reciprocity states** have same cost: \$928.41 total
 - So tuition = \$717 + \$211.41 class fees = **\$928.41 total**
 - **"Midwestern Compact"** states pay tuition at 150% the Minnesota-resident: \$1286.91
 - So tuition = \$1,075.50 + \$211.41 class fees = **\$1286.91 total**
 - **Other states** pay 200% the Minnesota-resident: \$1645.41
 - So tuition = \$1434 + \$211.41 class fees = **\$1645.41 total**
 - **Tri-college students:** Tuition is waived for tri-college students. **~\$211.41 class fee**
 - But class fee (~\$211.41 as of Spring 2018) DOES apply to tricollge/NDSU students, and must be paid to MSUM.
