Price factors details, as of Fall 2019: (I think. 😊)

- **Class fee:** ~$211.83
  - Class fee is fixed regardless of state student is from, and does apply to NDSU

- **Tuition.** $246.16-per-credit x 3 credits = $738.48-per-3-credit-course is Minnesota-resident rate
  - **Minnesota Residents:** $950.31 total
    - So tuition = $738.48 + $211.83 class fees = $950.31 total
  - **Reciprocity states** have same cost: $950.31 total
    - So tuition = $738.48 + $211.83 class fees = $950.31 total
  - "Midwestern Compact" states pay tuition at 150% the Minnesota-resident: $1286.91
    - So tuition = $1107.72 + $211.83 class fees = $1319.55 total
  - **Other states** pay tuition at 200% the Minnesota-resident: $1688.79
    - So tuition = $1476.96 + $211.83 class fees = $1688.79 total
  - **Tri-college students:** Tuition is waived for tri-college students.
    - But class fee (~$211.83 as of Fall 2019) DOES apply to tricolinege/NDSU students, and must be paid to MSUM.

For NDSU Students: Does Tricollege work?

a. Direct enrollment (to MSUM) always works.

b. For fall 2019:
   a. Organic I: tricolinege enrollment will not be possible. But direct enrollment will work.
   b. Organic II: tricolinege enrollment will be possible, because NDSU isn’t offering it
c. For Spring 2020, tricolinege enrollment will not be possible. Direct enrollment will work.

For Summer 2020, tricolinege enrollment will not be possible; direct enrollment via MSUM will work.
