

MSUM Library
honors the 2008 tenure of

Kirk Moss

Music

Littrell, David, ed. *Teaching Music through Performance in Orchestra, Volume 3*. GIA Publications, Inc., 2008

Associate Professor Moss chose this book because:

I had the opportunity to contribute three of the articles in this volume. It's a useful tool for orchestra teachers and a resource that I am pleased to add to MSUM's collection.
