

# BIOL 308 Pacific Northwest Ecology: July 5<sup>th</sup> – 15<sup>th</sup>, 2018

Join us this summer for this LASC 10 travel course to the mountains, forests, and coasts of Oregon and Washington! Hike, camp, explore, and discuss socio-environmental issues of this beautiful region. Come to an information session, or contact Dr. Lindaas ([lindaas@mnstate.edu](mailto:lindaas@mnstate.edu)) in Physics or Dr. Wallace ([wallacea@mnstate.edu](mailto:wallacea@mnstate.edu)) in Biosciences. We can take a maximum of 10-12 students.

- Wednesday, April 4<sup>th</sup> at 5 pm in Hagen 404
- Friday, April 6<sup>th</sup> at 1 pm in Hagen 325
