

Conceptual

Your maker journal is where you need to store thoughts, ideas, questions and answers. You should write down diagrams, schematics and plans prior to making. Then write down improvements and troubles and solutions.

Basic Make

- Page 1 = Name and contact information
- Page 2 = Course Schedule (website)
- Page 3 = Maker Check List

Advanced/Extended Make

- Personalize...

Equipment

- Maker Journal (any notebook – like a composition notebook)
- Tape, scissors, colored pens & pencils, staples and glue

Objective

Technology Concepts

- Journal creation and use
