Recommended Dragon Core general education MnTC transfer courses that can be taken at St. Cloud Technical College and applied to the OM 2+2 degree requirements:

|           |                               |
|-----------|-------------------------------|
| ENGL 1302 | Analytical Writing            |
| CMST 1320 | Intro to Speech Communication |
| ECON 1330 | Intro to Microeconomics       |
| MATH 1300 | College Algebra               |
| MATH 1445 | Intro to Statistics           |

- ❖ **Students who have completed a diploma program should request approval for an additional 30 technical credits. If approved, the 30 credits will meet elective requirements of the Operations Management major. Students will complete remaining general studies (Dragon Core) requirements and the Operations Management core to attain a major in Operations Management. Any Minnesota Transfer Curriculum (MnTC) course credits completed as a part of the diploma program will apply to MSUM's Dragon Core requirement.**
