

Join a Committee!

Student Organization Advisory Committee (SOAC)

Meets Tuesdays at 12:00pm during Fall Semester

Description: Represents the needs and concerns of students involved in student organizations and activities and assists in policy definition and administrative action. Monitors student organizations and makes recommendations regarding student organizations. Holds hearings on violations of University rules and policy by student organizations and makes recommendations to the Assistant Director of Leadership and Organizations. Responsible for the Of the Month Awards and Student Organization Awards Banquet.

Student Activity Budget Committee (SABC)

Meets Thursdays at 10:00am during Fall Semester

Description: Coordinates the development of student activity budgets, reviews requests from students and student organizations throughout the academic year for funding related to student activities and makes recommendations to the University President regarding allocations. In addition, SABC allocates money for student organizations, a small number of non-student organizations and administrative support for student activity fee funded areas each year during the budget allocation process. Annually recommends level of funding and fee for SABC. Monitors SABC reserves, expenditures and income of entities that receive SABC funds.

**To join one or both of these committees, you will need to be appointed by Student Senate.
