

To create a PICTURE link from LiveText to another source: Click on "edit" for the section where you'd like the link.

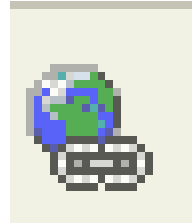

Click on the "edit" button next to the word "image". Browse to find your photo - then click Attach and Finish.

For Placement: select "Do not display image"

Using a MAC computer, grab the photo with the mouse and drag and drop it into the text box.

Click on the picture to get “handles” on it. Then click the globe with the chain link. Enter the URL in the space provided. It’s best practice to copy/paste the URL from the site to avoid errors.

Section title: Portfolio Development

Format Normal Font Size

Name of the Link

This portfolio will be assessed at several intervals throughout your educational experience at MSUM. Each time which will be shared with you by your instructor. It begins in ED 205 with the Learning Project, Parent Community completion of the Assessment page during your assessment course; and finally submissions of the remaining items to keep your documents safe throughout your education, use it freely even when it is not specified by course instructions.
