

Note: This schedule is just the plan, and is not set in stone (except for test dates). We may be slightly ahead or slightly behind at any given time. Test dates will not move — if we are ahead or behind, then the topics on the exam will be adjusted accordingly.

Note: The specific problems and due dates will be announced in class. Feel free to keep a record of the assignments here. I will also (hopefully) update this sheet on my webpage as the assignments are updated. My webpage is [web.mnstate.edu/Fagerstrom/](http://web.mnstate.edu/Fagerstrom/).
