

Math 110  
Reflection Paper #1- 10 pts  
Due Tues. Nov. 4<sup>th</sup>

- What did you do to prepare for Exam 2?
- How much time did you spend preparing for this exam? How did you organize the time you spent preparing?
- Which topics on the exam gave you the most difficulty? Explain the mistakes you had made and how you can address those in the future.
- What, if anything, do you think you could have done differently in order to have been more prepared and more successful on this exam?

**Your paper should be typed (double spaced with standard margins).**
