

Ms. Euclid's Geometry Classroom Expectations

Welcome to class! These policies are here to ensure a positive learning experience, and an opportunity to work hard and have fun while learning math together. I hope you are as excited to start this semester as I am!

Student behavior expectations

Respect your classmates, teacher, and yourself.

Come prepared. I will not allow you to go to your locker once class has begun.

Participate and complete homework on time.

No cheating.

No question is a stupid question!! I will not know if you need help unless you ask. If you do not understand, chances are your classmates may also need help.

Consequences of misbehavior

Failure to follow classroom policies will result in...

1st offence: Verbal Warning

2nd offence: Principals Office

3rd offence: Contact Parents

Calculator policy

Calculators may be used as a resource to check work.

For certain chapters, calculators will serve as an aid in completing homework and understanding the material.

Calculators may or may not be allowed to be used on tests. Therefore, be sure you know how to complete homework without relying on a calculator.

Homework

Show all work.

Complete and turn in on time.

Late work will receive half credit after one day late and no credit after that.

Grading

Grades will be based on participation, effort, preparation, homework, projects, quizzes, and test scores.

A: 90-100%

B: 80-90%

C: 70-80%

D: 60-70%

F: Below 60%

Absences

If you are absent, you are expected to get missed notes from a classmate.

In accordance with the school policy, I will allow two days to make up work from an excused absence.

If you miss a test, you must reschedule (in advance) a day to come in before or after school to make it up.

Office hours

Before and after school

Prep hour

By appointment

Goals

Have fun.

Create a positive learning environment.

Increase and demonstrate your knowledge and understanding of mathematics.
