

## **Price Summary: (Tuition + fees) Depends on State of Residence**

### **Fall-2024/Spring-2025/Summer-2025**

1. MN, ND, SD, WI: ~\$1119.36 (MN, reciprocity states).
2. Other states: ~\$2003.13
3. Application to MSUM costs an additional \$20

#### **Price factors details, as of Fall 2023: (I think. ☺) (These will apply for Fall 24, Spring 25, and Summer 25)**

- Class fee: ~\$235.59 (for 3-credit class)
  - Class fee is fixed regardless of state student is from
- Tuition. \$294.59-per-credit x 3 credits = 883.77-per-3-credit-course is Minnesota-resident tuition rate
  - **Minnesota Residents: \$1119.36 total**
    - Tuition = \$883.77 + ~\$235.59 class fees = **\$1119.36 total**
  - **Reciprocity states** have same cost (ND, SD, WI):
    - Tuition = \$883.77 + ~\$235.59 class fees = **\$1119.36 total**
  - **Other states** pay tuition at 200% the Minnesota-resident:
    - Tuition = \$1767.54 + ~\$235.59 class fees = **\$2003.13 total**
  - **Tri-college students:** Tuition is waived for tri-college students.
    - But ~\$50 of class fee DOES apply to tricollege/NDSU students, and must be paid to MSUM.

#### **Reciprocity States**

- **Reciprocity states: (SD, ND, WI): ~\$1119.36 per-course** (same as MN resident.)
  - South Dakota: automatic reciprocity: you don't need to do anything
  - Wisconsin: you need to fill out a reciprocity form

#### **For NDSU Students: Does Tricollege work?**

- a. Direct enrollment via MSUM (part-time student) is always possible, and cheaper than tri-college in summer
- b. Fall 2024:
  - a. Organic II: tri-college enrollment is possible. NDSU doesn't offer O2.
  - b. Organic I: tri-college enrollment only with special permission. NDSU offers O1.
- c. Spring 2025:
  - a. NDSU offers both O1 and O2. So, tricollege registration is possible only with special permission.
  - b. Direct MSUM enrollment will work;
- d. Summer 2025:
  - a. NDSU offers neither O1 nor O2. So tricollege registration is possible for either course.
  - b. Direct enrollment as a part-time MSUM student will work.
  - c. For summer 2024, direct MSUM enrollment is cheaper than tricollege registration. **North Dakota residents save \$265.47 and Minnesota residents save \$403.38** by registering through MSUM.
