**Note:** Office Hours are for helping students. Sometimes I help students that are not in my office. If I am not in my office, try checking in one of the teaching labs (HA 303, 317, 318 and 323) or the research lab (HA 306)

Please feel free to call or e-mail me to make an appointment. You can reserve time both during my office hours as well as potentially hours outside office hours if I do not have another meeting scheduled. I would be happy to set aside some time!
