Else If You Want to Purchase CourseMate Access via the http://www.cengagebrain.com Website	14

Introduction

The purpose of this document is to give step-by-step instructions on accessing a CourseMate website and enrolling in a course led by your instructor.

This document includes three sections, only one of which will be appropriate for you.

- If You Purchased CourseMate Access in Your School Bookstore and Don't Have an Account at <http://login.cengagebrain.com>
- Or*
- If You Purchased CourseMate Access in Your School Bookstore and Already Have an Account at <http://login.cengagebrain.com>
- Or*
- If You Want to Purchase CourseMate Access via <http://www.cengagebrain.com>

Finally, note that there are hundreds of different CourseMate sites, and many of them have different visual designs. So, if what you are seeing as you travel the registration and enrollment path does not exactly *look like* the screen captures shown in this document, note that the *functionality* described in this document is common to all CourseMate sites.

If You Purchased CourseMate Access in Your School Bookstore and Don't Have an Account at <http://login.cengagebrain.com>

What is <http://login.cengagebrain.com>? Imagine that you are using multiple applications from Cengage Learning (CourseMate and other applications). Rather than having credentials to sign into each of these applications, Cengage Learning offers a single location. With one set of Sign On credentials, then, at <http://login.cengagebrain.com> you can access all of your Cengage Learning tools.

When you access <http://login.cengagebrain.com>, you will see the following.

The screenshot shows the CengageBrain login and account creation interface. At the top left is the CengageBrain logo. In the top right corner, there is a link for "Technical Support". The main content area is divided into two columns. The left column is titled "Log In" and contains a "Username" field with the placeholder "Enter your email address", a "Password" field with a "Forgot your password?" link, and a green "Log In" button. The right column is titled "Create a New Account" and lists three benefits: "Gain instant access to your online learning materials", "Register an access code or Aplia Course Key", and "Receive account holder exclusive promotions and discounts". Below the list is a green "Create an Account" button. At the bottom right of the main content area, there is a link "I'm an instructor »". At the bottom left, there is a copyright notice "© 2010 CengageBrain". At the bottom center, there are logos for "CENGAGE Learning", "aplia", and "i chapters.com".

This section you are currently reading assumes that you do not already have an account at this location.

1. Click the "Create a New Account" button.

2. The following will load.

The screenshot shows the CengageBrain website interface. At the top left is the CengageBrain logo. Below it, there are navigation links: « Back to Log In / Register and Technical Support. 6. Select the proper institution and click the “Register” button. Something like the following will appear.

The screenshot displays the CengageBrain website interface. At the top, there is a navigation bar with "Discover CengageBrain" and "My Home". Below this, the CengageBrain logo is on the left, and a search bar with the text "Find your Textbook or Materials" is in the center. The search bar contains the placeholder text "Enter ISBN, Book Title, Author" and a "Find" button. To the right of the search bar are links for "Hi Jason", "Logout", and "My Cart (2)".

Below the navigation bar, there is a secondary navigation bar with links for "My Home", "My Orders", "My Account", "My Rentals", and "Support". The "My Home" section is active, showing a "Last Accessed" list. The first item is "Becoming a Master Student, 13th Edition" by Ellis, with a sub-link for "CSFI 2.0 for Ellis' Becoming a Master Student" and an "Open" button. Below this, there are "Additional Resources" including "CourseMate for Ellis' Becoming a Master Student" with another "Open" button.

On the right side of the page, there is a "Register another Access Code or Aplia Course Key" section. It features a text input field, a "Register" button, and instructions: "Your Access Code should be similar to PP8XLP3XD528HC" and "Aplia Course Key example: ABCD-23M4-EFGH". There is also a "What's this?" link and a "Find Products with Free Access" link.

Below the registration section is a "Customer Support" section. It includes contact information: "Phone: 866-994-2427", "Fax: 800-487-8488", and "Email Support: support@cengage.com". It also lists "Hours of Operation" as "Monday - Friday, 8:00 a.m. - 6:00 p.m. EST". There is a "CengageBrain Feedback" section with a "Take our survey" link.

At the bottom of the page, there is a footer with icons and labels for "Print", "Rental", "eBook", "eChapters", "Best Buy Package", "Digital", "Audio", and "Video".

7. There are hundreds of CourseMate sites, and which one you access when you click the “Open” link for the CourseMate resource depends on the textbook you are using. For example, the “Open” link in the example above would take you to the landing page in a College Success CourseMate site, whereas the example below is the landing page on an Art Study CourseMate website.

8. You are free to use this website without enrollment in an instructor-led course. If you do so and then later enroll in an instructor-led course, all activity before enrollment will appear to the instructor once enrolled (as will all activity after enrollment).

At the point you wish to enroll in an instructor-led course, you will need to have from the instructor a "Course Key." With this Course Key in hand, click the **Enter Your Course Key** button. An overlay will appear, on top of the current screen.

9. Provide the Course Key your instructor gave to you, and click the Submit button. The overlay will disappear, and the Home page of the site will have changed as follows.

The screenshot shows the CourseMate website interface. At the top left is the CourseMate logo. To the right of the logo are two links: "24/7 Support" and "Tell us what you think!". Further right are navigation links: "HOME | COURSES | ENGAGEMENT TRACKER".

The main content area is divided into two columns. The left column features a book cover for "ART THROUGH THE AGES: A Global History, Enhanced 13th Edition, Fred. S. Kleiner". Below the cover are two buttons: "Select Chapter" and "Resource Index". Underneath is a list of resources for "1. Art Before History":

- Flashcards
- Audio/Video Study Tools (with a lock icon)
- Learning Objectives
- Quizzes (with a lock icon)
- Activities and Tutorials
- Interactive Timeline (with a lock icon)

The right column has a "Welcome to CourseMate!" heading. Below it is a paragraph: "CourseMate gives you access to engaging interactive Teaching and Learning Tools that enhance the use of your textbook. Additional text here is yet to be determined, but the style will remain the same." Below this is a white box containing enrollment information:

You are currently enrolled in Scientific and Technical Communication Sec. 002.

- Instructor: Elizabeth Excel
- Class Meeting Days: Tuesday, Thursday

Below the enrollment information is a blue button labeled "Change Your Enrollment". To the right of this box is another book cover for "ART THROUGH THE AGES".

Now that you are enrolled in the instructor-led course, the instructor will be able to see the time you spend on all resources in the CourseMate site, and will also be able to see your scores for the graded quizzes in the site.

Else If You Purchased CourseMate Access in Your School Bookstore and Already Have an Account at <http://login.cengagebrain.com>

The left column is titled "Log In" and contains a "Username" field with a placeholder "Enter your email address", a "Password" field with a "Forgot your password?" link, and a green "Log In" button. 7. There are hundreds of CourseMate sites, and which one you access when you click the “Open” link for the CourseMate resource depends on the textbook you are using. For example, the “Open” link in the example above would take you to the landing page in a Psychology CourseMate site, whereas the example below is the landing page on an Art Study CourseMate website.

8. You are free to use this website without enrollment in an instructor's course. If you do so and then later enroll in an instructor-led course, all activity before enrollment will appear to the instructor once enrolled (as will all activity after enrollment).

At the point you wish to enroll in an instructor-led course, you will need to have from the instructor a "Course Key." With this Course Key in hand, click the **Enter Your Course Key** button. An overlay will appear, on top of the current screen.

9. Provide the Course Key your instructor gave to you, and click the Submit button. The overlay will disappear, and the Home page of the site will have changed as follows.

The screenshot shows the CourseMate website interface. At the top left is the CourseMate logo. To the right of the logo are two links: "24/7 Support" and "Tell us what you think!". Below the logo is a navigation bar with "HOME | COURSES | ENGAGEMENT TRACKER". The main content area is divided into two columns. The left column features a book cover for "ART THROUGH THE AGES: A Global History, Enhanced 13th Edition, Fred. S. Kleiner". Below the cover are two buttons: "Select Chapter" and "Resource Index". Underneath is a list of resources for "1. Art Before History": "Flashcards", "Audio/Video Study Tools", "Learning Objectives", "Quizzes", "Activities and Tutorials", and "Interactive Timeline". The right column has a "Welcome to CourseMate!" heading, followed by a paragraph: "CourseMate gives you access to engaging Interactive Teaching and Learning Tools that enhance the use of your textbook. Additional text here is yet to be determined, but the style will remain the same." Below this is a box containing enrollment information: "You are currently enrolled in Scientific and Technical Communication Sec. 002.", "Instructor: Elizabeth Excel", and "Class Meeting Days: Tuesday, Thursday". A "Change Your Enrollment" button is located at the bottom of this box. To the right of the enrollment box is another book cover for "ART THROUGH THE AGES".

Now that you are enrolled in the instructor-led course, the instructor will be able to see the time you spend on all resources in the CourseMate site, and will also be able to see your scores for the graded quizzes in the site.
