Welcome Home, Alumni

MSC's 90th Birthday Party

If you missed Homecoming

1974 Alumni Homecoming on October 19th opened with an informal gathering at 10:00 a.m. followed by the second annual Distinguished Alumni Brunch honoring Maynard Reynolds '43, Alf Richards '39, Hugh Schoephoerster '54, and Vern Schranz '36. Also receiving special attention were the seven members of the undefeated 1934 football team who were there: Marco Gotta, Joe Formick, Walt Scheela, Evard Serbin, Neil Wohlwend, Ross Stevens, Wayne Stevens; Vern Schranz was also a member of the '34 team.

Participating in the program were Dan Preston, Byron Murray, Soc Gladrud, Reinhold Utke, Neil Wohlwend, Glaydon Robbins, Sonny Lange, and President Roland Dille.

Following the football game with St. Cloud, a reception and dedication program were held at King Biology Hall, named in honor of Dr. Genevieve King, a faculty member from 1947 through 1974. Among the participants in the program were Dr. Robert Tolbert, '55, Chairman of the Biology Department and Dr. Jerry Miksche '54, who is principal plant cytologist for the USDA Forest Genetics Institute, Rhinelander, WI.

An evening party, including a social hour, dinner and dancing to the music of the MSC Stageband finished the day. Many alums in attendance pronounced it the best Homecoming MSC has ever held.

We apologize to those alumni who received their homecoming announcements late. Responsible was a combination of delay at the company that folds and mails the *Alumnews* and an even longer delay in the post office system. To avoid future delays, the *Alumnews* will be mailed directly from the Alumni Office.

Second class postage paid at Moorhead, Minnesota. Send address corrections to Alumni Association, Moorhead St. College, Moorhead, MN 56560.

Moorhead State College will celebrate the first of three* 90th Birthday Parties on Saturday, February 8 at the Ramada Inn, Moorhead. It will be a huge party and the first of its kind -- the entire college community including students, plus alumni, parents and all other friends of the college are invited.

Present plans include two dances -- one poolside and one in the Riviera Room, a variety of stage entertainment, casino games, hors d'oeuvres. (all free), several cash bars, bingo, giant birthday cake walk, plus more to be planned.

Admission will be by a \$1.00 Birthday Button, which also includes a chance in a drawing for one quarter's free MSC resident tuition, which can be transferred, divided, applied on non-resident tuition, or awarded as a scholarship. Buttons are now available. (See questionnaire in this issue.)

We are 90 (or 88)* years old now, and

It's Birthday Scholarship time at MSC again!

Last year when Moorhead State College was 87* years old we asked alums to send us a penny for each year to enable us to give scholarships to students. We named the first Birthday Scholarship for Genevieve King.

How did we do? We were able to give two - two hundred dollar scholarships after the expenses for printing and postage were paid. This year we hope to do alot more. If a thousand alums gave 88 cents each, we'd have a sizeable sum to distribute in scholarships.

Whom will we honor this year? None other than Alice Corneliussen, a native Red River Valley gal who graduated from MSTC and later served as a teacher and an inspiration to many students in elemen-

**The enabling act, introduced by Senator S. G. Comstock of Moorhead, passed the Minnesota State Senate on February 12, 1885. The first appropriation passed in 1886 and classes opened in 1887.*

Also planned are special parents' activities for on Saturday afternoon, as well as the MSC Theatre's production of *A Little Night Music* on Friday and Saturday nights.

Out of town alumni and parents may be interested in making reservations for poolside rooms at the Ramada, which may be reserved directly or through the alumni association. (See questionnaire)

If you missed Homecoming, come to the 90th Birthday Party. You'll be sure to see a lot of old friends!

DOUBLE VALUE ON BOOK GIFTS

An opportunity for alumni to make a lasting and valuable contribution to the liberal arts at MSC has just been made possible through a matching grant from the National Endowment for the Humanities. Every contribution for books to the college library will buy double its value under the matching grant.

Books are an expensive proposition, and inflation has been harder on libraries than most other areas of education. The opportunity to get double value on our gift money is particularly important at this time.

Gifts for books, which may be made in any amount under this plan, may be sent to the alumni office. They should be clearly marked. (See the questionnaire in this issue.)

tary education at the College. We are glad to tell you that since her retirement she has continued a very active member of the Moorhead State College Community.

We hope as an MSC alum you'll participate in our Birthday Scholarship Program -- a program which each year honors a faculty woman as well as providing a scholarship to enable a student to attend and enjoy the life on campus and the individual opportunities offered. **WE NEED YOUR COOPERATION** -- and your 88 cents!

In Memorium

Frank Malloy, who was a member of the first MSC football team in 1900, died on October 16 in Seattle. Since his student days, he kept in touch with the college and particularly with the other members of that first team. In 1907, Mr. Malloy moved to Seattle, where he worked as an accountant and office manager until his retirement in 1947. There are now 3 members of the original team living: Oscar Askegaard, Moorhead; Henry Mackall, Mpls, and Earl Gates, Seattle.

E. Margaret Plowman Boen '08 died in July at her home in Wadena, MN. In 1911 she married Harold E. Boen and that fall she joined the faculty of Wadena Schools. All of Mrs. Boen's children, as well as several of her grandchildren, have attended Moorhead State.

Wallace G. Rosel, '14, who had been superintendent of a number of Minnesota schools, died in September. He is survived by his wife, the former Helen Moffitt who also attended MSC. After retirement from public schools, he operated a hardware store in Underwood.

Florence Atkinson, '02 died in November. She taught in Barnesville for 32 years and retired in 1942. A building in the Barnesville school is named for her.

Ardell Nelson, '61, a teacher at Glenwood, MN, High School, died in May. A native of Glenwood, he is survived by his wife, the former Rebecca Lund and two young daughters.

Harold Addicott, on the Geography faculty at MSC from 1944 to his retirement in 1969, died on September 15. In addition to his long and loyal service as a teacher, alumni are indebted to Mr. Addicott for the magnificent films he took of homecoming and other activities during the 40's and 50's, which provide fascinating record of those years. He is survived by Mrs. Addicott and his son, Dr. John Addicott, who is on the faculty at Sacramento State College, CA, and J.T. (Tom) BS66, St. Cloud State College.

Amy Swendseid (Mrs. Edwin) Andrews '49 died December 2 in Moorhead, where she has lived for many years. Mrs. Andrews taught in county schools until she became county superintendent in 1943. In 1952 she became an elementary education instructor at Concordia and in 1957 she accepted the position of North Dakota director of elementary education. Mrs. Andrews had completed her master's degree and had done work on her doctorate at UND.

Anita Hanson (Mrs. Lynn) Leavens '65 formerly of Underwood, MN, died on October 15th in Vancouver, B.C., where she resided with her husband and daughter Laurie, 8.
